Case Study – Market place app

Client: Seekahoo: A Pittsburg, PA based start up

Requirement: A mobile app and a web platform which connects local home improvement contractors and homeowners.

Native mobile app in iOS and Android . A supporting web application.

Our Role

- X-Value was involved right from conceptualization to design to development to deployment
- X-Value has also maintained both the mobile apps and the web platform and worked on feature additions

Highlights

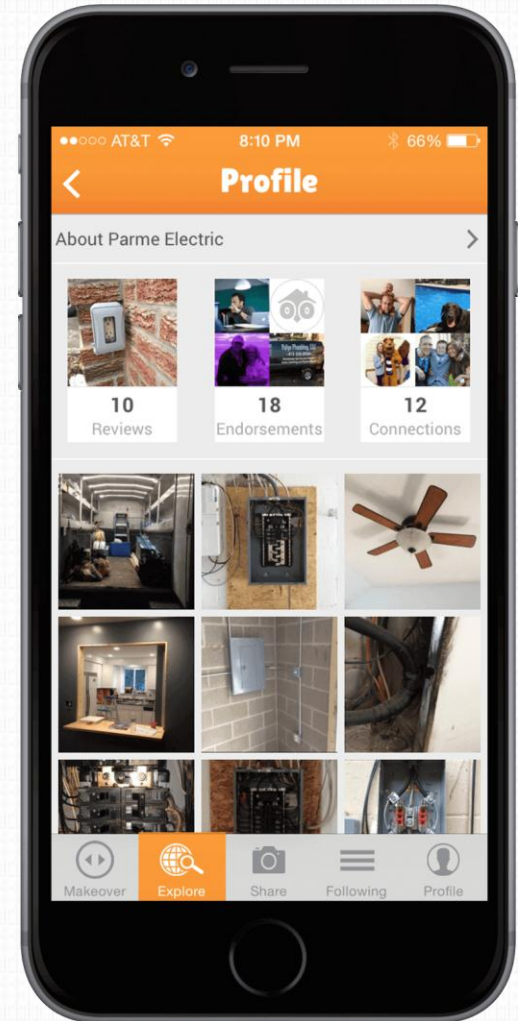

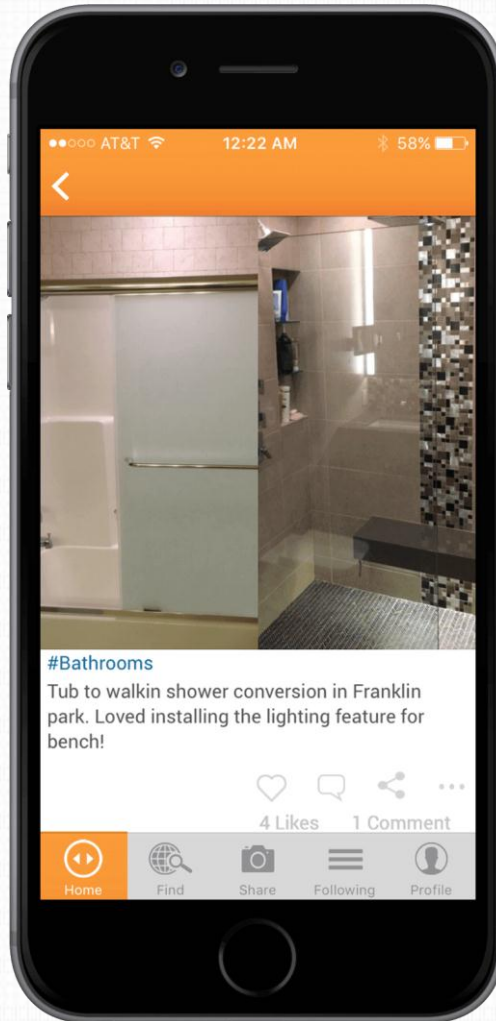

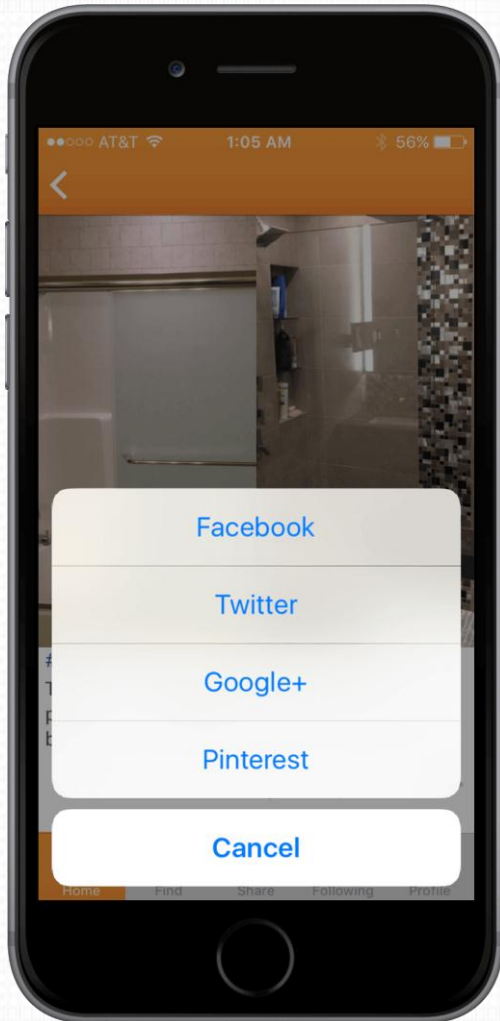

- **Omni-channel** – Complete omni-channel solution on mobile s, tablets and web
- **In built Social Media features** – Share, Like, Follow, Endorse, etc

Value Delivered

- End to end development from Mobile to website to SEO
- Very stable and high user retention rate
